

DHM66D50-TP

685-710W

Ultra-high power 210 N-TOPCon
Double-sided double-glass solar module

- High performance 210+N-Type TOPCon 16BB silicon cells, with a conversion efficiency upto 22.86%.
- Excellent low-light power generation performance, dual-glass back surface increases power output by 20%.
- 18 main grid cells for more stable power output, dual-core characteristics effectively resist shadow shading.
- Reduced internal electrical performance loss, low operating temperature of components, strong resistance to hot spot.
- Fully automatic production line with full quality inspection to ensure product assurance.

DAHAI SOLAR is a renewable energy enterprise founded in 2011 , with 5GW high efficiency solar module production and 10GW silicon production capacity. Adhering to the brand concept of "new energy for a new world", Dahai solar has always been committed to doing a stand out in the photovoltaic industry, transforming light with ingenuity and provide green energy to everybody.

30 YEARS 30 YEAR LINEARITY POWER OUTPUT WARRANTY

25 YEARS 25 YEARS OF EXCELLENT PRODUCTS MATERIAL AND PROCESS WARRANTY

The power attenuation shall not exceed 1% in the first year and 0.4% in the following years.
